### IMPORTANT NOTES

- It is the responsibility of the coach and skater (and/or parent if the skater is under age 18) to verify the appropriate test level and requirements for that test. Any incorrect information could render a completed test null and void by U.S. Figure Skating. The SCSF will not refund fees for voided tests.
- This test application must be received by the Test Chair on or before the test application deadline with full test fees paid and a letter of permission (if needed) in order for your test(s) to be scheduled.
- Incomplete test forms will be returned to the skater/parent, who will need to resubmit the form with the complete information and test fees.
- Pending available time on the requested test session, late test submissions will be accepted up to five days following the entry deadline date for an additional, mandatory non-refundable fee of \$10.00.
- Specific test application deadlines are posted at [www.scsf.org](http://www.scsf.org) and the bulletin boards at the Yerba Buena Ice Skating Center in San Francisco and Belmont Iceland.
- While the SCSF works to accommodate all requests, submitting an application by the test deadline is not a guarantee that it will be accepted for the requested test date. The final number of tests will be determined by available ice time. Tests are scheduled on a first-come, first-served basis with priority given first to Home Club Members and then Associate Members.

I understand that the fees are non-refundable if I withdraw from the test unless the withdrawal is due to injury or illness supported by the medical report. I also understand that an insufficient number of test applications may make it necessary to cancel the test session. Canceled tests will be refunded.
